**Subject: Road Repairs on Fruitvale Boulevard**

**Contact: Streets & Traffic Manager Joe Rosenlund – 576-6430**

**Communications & Public Affairs Director Randy Beehler – 901-1142**

**Release Date: Friday, March 4<sup>th</sup>, 2016**

## **Road Repairs on Fruitvale Boulevard to Impact Traffic**

A road repair project along a seven-block section of Fruitvale Boulevard will impact traffic for most of each day from Monday, March 7<sup>th</sup> through Friday, March 11<sup>th</sup>.

City of Yakima Streets Division crews will be crack sealing and mastic sealing the section of Fruitvale between 27<sup>th</sup> Avenue and 34<sup>th</sup> Avenue from 7:00 am to 3:00 pm each day from March 7<sup>th</sup> through March 11<sup>th</sup>. While the project is underway, the outside lanes of that section of Fruitvale will be closed. Traffic in the project area will be restricted to one lane in each direction until the road repairs are completed.

During the project, traffic delays in the area are likely to occur. Drivers should use alternate routes if possible until the project is completed.

Access to homes and businesses in the area will be maintained and traffic will be allowed through the project area when possible.

As always, the schedule for this type of a project is subject to change daily dependent on weather, equipment failure, and emergencies.

For additional information about this project, contact Streets and Traffic Operations Manager Joe Rosenlund at 576-6430.
